(360) 363-8100, (360) 651-5099 FAX

HIGH-PILED OR RACK STORAGE **SUPPLEMENTAL APPLICATION**

Occupancy Address: _____

Tenant: _____ Telephone: _____

Please answer all questions to the best of your ability. The detail of the description will help establish your commodity classification and storage fire protection requirements.

If you cannot answer these questions, please contact the City of Marysville Community Development Department at 360-363-8100. You may have to retain the services of a qualified fire protection engineer to evaluate the hazard and prepare a report for Community Development and Fire Department review.

Mixed commodity classifications must be protected to the highest commodity classification shown unless it can be proved by engineering analysis the fire protection equipment can protect the hazard.

1. **Describe the commodities to be stored.** Provide a detailed description of the product(s), packing materials and containers. Products that are packaged with Group A expanded or nonexpanded plastics should be described with the amount of each plastic by weight or volume.
2. **Describe the method of storage.** Provide a description of the method of storage such as in solid piles, on pallets (wood, steel, or plastic), loose, racks (single, double, or multiple-row), carousel, flowthrough, bin box, etc.
3. **Specify the amount of building area designated for high piled storage.** _____ sq. ft.
4. **Specify the maximum height the material will be stored.** _____ feet

COMMUNITY DEVELOPMENT DEPARTMENT USE ONLY

- ☐ Based on the information provided, the City of Marysville Community Development Department has determined your commodity classification is Class _____, and the storage area is Class _____. Deviations from the information supplied may require additional fire protection features.
- ☐ The City of Marysville Community Development Department is unable to classify your commodity(ies). You will have to provide an engineering analysis for review and approval.
